Now the really fun part begins! Build a model of that kind of BIONICLE® item using pieces from your LEGO brick collection. Take a color photo of your model and upload it to the Cool Creations gallery at <http://club.lego.com/en-us/gallery/default.aspx>, under "BIONICLE." You must upload your vehicle no later than December 17th, 2008. Please name your vehicle starting with "MM-" so we know it's part of the competition.

Once you have finished uploading, remember to vote for your favorite creation. This time, we'll be looking at the uploaded models every week to find the one with the highest number of votes to feature in a News story on the LEGO Club website each week! Good luck!
